# AM: The Computers in Manufacturing and Logistics Conference and Exhibition (CIML). PM: The UK Electronics Expo

The Computers in Manufacturing and Logistics Conference and Exhibition (CIML)

Times	Name	Topic
9.55 - 10.00	Junhao Zhang ,Design Engineer Arm	Opening Remarks
10.00 - 10.20	Susanne Cumberland - Research Analyst, IHS Markit	Connectivity Enabling IoT"?
10.20 - 10.40	Andy Hopcraft with Steve Crosson Smith - Halpenfield Ltd.	Modernise and Turbocharge Your Logistics & Supply Chain Analytics
10.40 - 11.00	Phil Hadfield - & Brian Benson Sales Manager UK, Rockwell Automation	Using The Connected Enterprise to revolutionise the Supply Chain
11.00 - 11.30	**Coffee Break & Networking**	
11.30 - 11.50	Alan Griffiths - Industry Analyst, Industrial IoT and Digital Transformation	Connected Applications and the IoT: What this means to Manufacturing and the Supply Chain

The UK Electronics Expo

Times	Name	Topic
11.50 -12.10	Dyfan Evans (Senior Designer) Design Reality Limited	Designing products that integrate Electronics with Industrial Design
12.10-12.30	Dave Barr - Senior Systems Engineer, PTP	Achieving flexibility in test equipment – a case study
12.30-12.50	Siddharth Mukne - Regional Head, UK India Business Council	Electronics Industry in India and the opportunities for UK companies
1.00-2.00	**Lunch Break & Networking**	
2.00 - 2.20	Dr. Marc Walker, XPS Facility Manager,University of Warwick	A Journey Through the Sciences: A Multidisciplinary Approach to XPS in Surface Analysis
2.20 - 2.40	Junhao Zhang ,Design Engineer Arm	Machine Learning in silicon
2.40-3.00	Junhao Zhang ,Design Engineer Arm	Closing Remarks

CIML
